

# GETAWAYS IN STYLE

*Proudly based on the Mid North Coast*

Dear Coordinator,

I'm pleased to introduce **Getaways in Style** for your group's next outing.

We specialise in planning and coordinating enjoyable group day trips, overnight getaways and tailored social outings throughout the Mid North Coast and beyond.

Our getaways are designed to be relaxed, well organised and enjoyable, with attention to transport, accommodation (where required), destinations, rest stops and a practical itinerary. We work with you to create an experience that suits the interests, needs and preferred pace of your group, so you can focus on what really matters — spending time together and enjoying the day.
